PHOTOGRAPHS

1948-

"Emlyn's Scrapbook."

Introduction.

This book was compiled by the late Emlyn Lloyd, Classics Master at Pembroke Dock and Pembroke Grammar Schools, during the period 1948 - 1957. We are greatly indebted to him for his diligence in assembling this fine photographic record of school sport and drama. We are also indebted to Mr. Dennis Lloyd for drawing our attention to the book in the first place and for obtaining it from the Pembroke Dock Museum - where it had been placed after Emlyn Lloyd's death - so that the photographs could be copied and included on the www.thepenvro.com website and this facsimile prepared.

Over the decades, some of the photographs have been lost and the compilers of thepenvro.com would be pleased to reproduce them for replacement in the original and inclusion in this facsimile, if anyone still has copies of them and can recognise from the captions exactly which photographs these were.
